Ypsilanti Otters is a non-profit program run by its member families. Tuition fees pay for the coaches and the pool rental. Administration is done, meets are run and extra funds are raised by the families of the swimmers. In order to keep running, YOSC needs each family to do their share. This keeps costs down which keeps the program available to the whole community. It also creates community. To ensure that you understand and accept this commitment and also the general safety/liabilirty requirements, we ask you to read and sign the following

I understand that:

- THERE WILL BE NO REFUNDS OF TUITION PAID
- **Fees can only be pro-rated in exceptional circumstances at the discretion of the board**
- The Ypsilanti Otters Swim Club (YOSC) is a private swim club that is run by the Head Coach, who is guided and supported by a volunteer Board of Directors
- The Head Coach and assistant coaches make the final decisions about practice group placement and swim meet entries
- Families are required to sign up for and complete one main job per session
- Parents are responsible for their children during all Otter social events. If you are not able to attend the event, you are expected to designate a responsible adult to supervise your child(ren).
- Swimmers are not allowed to be in the pool until all fees have been paid and forms complete. THERE WILL BE NO EXCEPTIONS TO THIS RULE.
- All Pups swimmers must be potty-trained --this means diaper-free all day, every day.
- **YOSC COMMUNICATES TO FAMILIES VIA EMAIL AND THROUGH OUR WEB PAGE. PARENTS ARE RESPONSIBLE FOR CHECKING THE CALENDAR REGULARLY. ENSURE YOU HAVE ENTERED A VALID EMAIL ADDRESS ON THE FRONT OF THIS FORM.** This is the only way you will receive notification if the pool is closed at short notice for health and safety reasons.
