\*\* Supporting Adult Membership is a tax-deductible donation which allows you to swim while your kids practice, if space is available. There is no tuition and no guarantee of space. But we do guarantee to use your donation to teach your kids to swim. Not eligible for 3+ swimmers discount.

Please tell us how you first heard about Ypsilanti Otters Swim Club?: \_\_\_\_\_

Ypsilanti Otters is a non-profit program run by its member families. Tuition fees pay for the coaches and the pool rental. Administration, meet co-ordination and social activities are the result of volunteer work by the families of the swimmers. In order to keep running, YOSC needs each family to do their share. This keeps costs down which keeps the program available to the whole community. It also creates community. To ensure that you understand and accept this commitment and also the general safety/liability requirements, we ask you to read and sign the following

**I understand that:**

- > Ypsilanti Otters Swim Club (YOSC) is a private club that is run by the Head Coach, who is guided and supported by an elected volunteer Board of Directors
- > The Head Coach and assistant coaches make the final decisions about practice group placement and swim meet entries
- > THERE WILL BE NO REFUNDS OF TUITION PAID. Also, fees cannot be prorated for swimmers unable to attend every practice offered.
- > Families are required to sign up for and complete at least one volunteer job per season
- > Families with SMSL swimmers are also required to work at least two home meets per season.. (not applicable for Fall 2008)
- > Families with USA swimmers are expected to keep track of their meet fees and pay the treasurer in a timely fashion. Accounts should be settled at the end of each season.
- > Parents/Guardians are responsible for their children during all Otter social events. If you are not able to attend the event with your child(ren), you must designate a responsible adult to supervise your child(ren).
- > Swimmers are not allowed to be in the pool until all fees have been paid and all forms completed. THERE WILL BE NO EXCEPTIONS TO THIS RULE.
- > If practice is cancelled due to mechanical failure of the pool or coaches off sick, we will try to provide a make-up session. However the nature of our pool usage means there is very little time when we can use for this purpose. Our low registration fees reflect this scheduling.
- > **YOSC COMMUNICATES TO FAMILIES PRIMARILY VIA EMAIL AND THROUGH OUR WEBSITE PARENTS ARE RESPONSIBLE FOR CHECKING THE ONLINE CALENDAR AND THEIR EMAIL REGULARLY. MAKE SURE YOUR EMAIL ADDRESS IS PRINTED CLEARLY ON THE FRONT PAGE** This is the only way you will receive notification if the pool is closed at short notice for health and safety reasons. All notices and sign-ups will be posted on the pool door. Families are responsible for checking that and their mailbox on deck regularly.
