

**WEBSTER UNITED CHURCH OF CHRIST  
FIA ABUSE AND NEGLECT CLEARANCE REQUEST FORM**

All Teachers and Certified Volunteers are now required to obtain a statement certified by the Family Independence Agency that you have no history of involvement in a case of child abuse or neglect.

To do this, you are required to sign your name and date of birth on the bottom half of this form along with your home address. You will also need to attach a self-addressed stamped envelope with your home address on it.

When your name has been checked by the Family Independence Agency, you will be sent notification to your home. You will then submit this notification to the Pastor. A copy of the notification will be kept in a locked confidential file in the church office.
